YOGA FOR CHILDREN

A Butterfly

"A delightful book! In an age when our children are assaulted with unhealthy stimulation from the time of their birth—the practice of yoga offers an opportunity for them to gain a sense of peace, centeredness and self-confidence."

—**John Robbins**, author of *Diet For A New America* and executive director of Earthsave International

"This thoroughly charming presentation of yoga for children is a real treasure. With captivating photographs and delightful stories to motivate everyone's participation, parents and teachers will enjoy using Shakta Kaur's marvelous book and generations of children will love it, over and over and over again!"

—**Shakti Parwha Kaur Khalsa**, author of *Kundalini Yoga: The Flow of Eternal Power*

"Feeling good about oneself and the world is everyone's birthright. Yoga is definitely a path to feeling self-worth and centeredness. I recommend *Fly Like A Butterfly, Yoga For Children* as an excellent teaching tool and introduction to yoga."

—**Barbara Glasser**, Head Teacher, The Children's Playhouse of Park Hill

"As both an independent school English teacher and a parent, I wholly recommend *Fly Like A Butterfly*. In sweet, accessible language, Shakta Kaur Khalsa shares her vast knowledge and an array of exercises developed during her 20 years as a yoga teacher. You and your children will love it!"

—**Sara Dougherty-Jones**, 8th-grade teacher and mother of two

FINALLY! A YOGA BOOK FOR CHILDREN THAT'S ACCESSIBLE AND FANCIFUL.

Shakta Kaur Khalsa takes children on a fun-filled romp of yoga interlaced with stories, songs and quiet time. Beautiful photos of her young students holding simple yoga poses guide readers through the book. Written with the beginner in mind, the book is designed so parents can read along with their children. Older children can read by themselves using the photos as guides. A must for parents and teachers interested in movement, self-esteem, quieting the mind and body, and all-out fun!
